PROPERTY DESCRIPTION

Awesome Level Fenced-in Yard! This 3 bedroom/3 full bath home is situated on a large level lot. Come take advantage of living in an established neighborhood with mature trees and quiet streets. This home comes with everything you need! You'll feel welcome as soon as you walk through the front door. The formal living room has a huge picture window to let in plenty of light. The kitchen is bright and open with adjoining dining area and plenty of storage and pantry space. The huge family room addition offers large windows a walkout to the backyard and plenty of natural light to enjoy. The floor plan of this home is perfect for entertaining family and friends as you are just steps away from the private backyard just off the family room. Just down the hall you'll find the master bedroom with a large closet and adjoining full bath. The other bedroom features hardwood floors and a spacious closet. The partially finished lower level is just waiting for your personal touches. The lower level also offers an additional room for an office or additional living space. Close to shopping, highways and "Excellent Rated" schools too! Hurry!
